

Owing to the current pandemic, KUCAT-CBT 2020 exams center is arranged in a temporary computer lab in the multipurpose hall. Exam hall is large and spacious with sufficient physical distancing. Candidates are requested to read the following information about the test procedures carefully.

1. Test center is at the “Multipurpose Hall”. You can ask about the direction to the test center to the security personnel at the KU main gate.
2. Arrive early (at least 1 hour before) at the center to avoid the rush.
3. Wait at the “waiting area” until you are allowed to enter the exam hall. You will be allowed to enter the hall only half an hour before exam time.
4. While at the waiting area, get familiar with the exam hall plan and arrangement.
5. Find your “section” and “seat number”. Locate the corresponding entry “Gate”.
6. Be patiently in queue maintaining physical distancing half an hour before exam.
7. You must have “Admit Card” and “Original Photo ID”(printed in the admit card) in your hand.
8. Keep all your belongings in your bag. You will be allowed to carry your bag in the hall and you have to keep it by your side on the floor. You are not allowed to open the bag during test duration.
9. Once in the hall, be seated in your seat. Do not try using computer until the invigilator instructs you to do so. Your Invigilator will instruct you further.
10. Once you “Finish the Test”, do not leave your seat. Raise your hand to inform your invigilator and do as you are instructed.
11. You cannot use any other thing except a pencil/pen.
12. You will find a scratch sheet at your table. No additional scratch sheet will be provided.
13. You will not be allowed to wear watches or use calculators. If needed, you can use the calculator available in the desktop screen of your computer.
14. Follow the instruction of the “On duty CBT staffs” strictly.
15. Inform the “Health Desk” if you have any symptoms related to COVID-19 or any other serious conditions. If you have any queries contact “Information and Help Window”.
