

Owing to the current pandemic, it is very necessary to maintain health precautions and follow standard health guidelines from the government and WHO. Kathmandu University ensures that we take every possible measure to safeguard the health of our staffs and students. Please take note of following points:

Our arrangements / precautions:

1. Exam center for KUCAT-CBT 2020 is arranged in large, spacious and ventilated hall.
2. Seating arrangement with physical distancing of at least 1.5 m has been arranged for all candidates.
3. Exam hall and seating area are sanitized after each exam shifts.
4. Body temperature of each candidate is monitored before entering the hall.
5. Hand sanitization arrangements are available at all entry points of the hall.
6. Candidates with special health conditions / symptoms will be arranged seat in a separate room.
7. Medical professionals are maintained stand by throughout the exam sessions to handle the emergency situation.
8. Exam procedures are designed to have minimum physical contacts between candidates and exam staffs.

Instructions to the candidates:

1. You must compulsorily wear “Face Mask” for entire duration of your exam and outside in KU premises.
2. You must “Sanitize” your hands before entering the exam hall.
3. Get your “Body Temperature” checked before entering the exam hall.
4. We recommend wearing face shield to all candidates and carrying personal pocket sanitizers. Candidates need to manage face shields and masks on their own.
5. Maintain a distance of at least 1.5 meters while in queue and in waiting area.
6. Inform the “Health Desk” if you have any symptoms related to COVID-19 or any other serious conditions.
